

Hot Pick & Mix

◀ **HOT PDA**
BLINGBERRY
Lindsay Lohan, Paris Hilton... Paula Creamer? These young stars have at least one thing in common: crystal-studded PDAs. Want to make your own? The Bling Ring Couture Kit contains 750 Swarovski crystals that you can glue on to your BlackBerry or cell phone (myblingring.com).

HOT LOOK

THE GOLF DRESS
Once reserved for the tennis courts, the dress has finally arrived on the golf course. Verdina's floral wrap dress has adjustable sleeves. Nike's Dri-Fit dress offers UV protection and, at six ounces, is easy to pack and go.

▶ **HOT POLISH**

CHANEL BLACK SATIN
Goth nails have appeared on runways in Milan and fairways in Ireland. Chanel's black polish is so hot that it sold out in seven weeks in the U.S. Bottles are selling for €38.00 on eBay. If you score one, don't let it out of your sight.

▲ **HOT SKINS**

iPOD PROTECTORS
Treat your iPod the way you'd treat your nails: with a protective coating. Gelaskins are durable adhesive covers that prevent dings and scratches. We're partial to the simple design ourselves (€12.00; gelaskins.com).

▲ **HOT SILK WIND TOP**

PROQUIP LADIES WIND TOP
The lightweight and versatile PROQUIP Ladies Silk Touch Wind top features a raglan sleeve (cut from neck to underarm) with a stand-up collar plus stylish contrast piping and zip. The ultra-soft, lightweight Teflon® treated shower resistant fabric that is incredibly soft and silky, preventing off-putting noise during the swing.

HOT SOCKS

KNEE-HIGHS

Go ahead, express your playful side. Paula Creamer adopted the field hockey look at the Weetabix Women's British Open.
